

2024 Tunisian presidential election: candidate support by imada

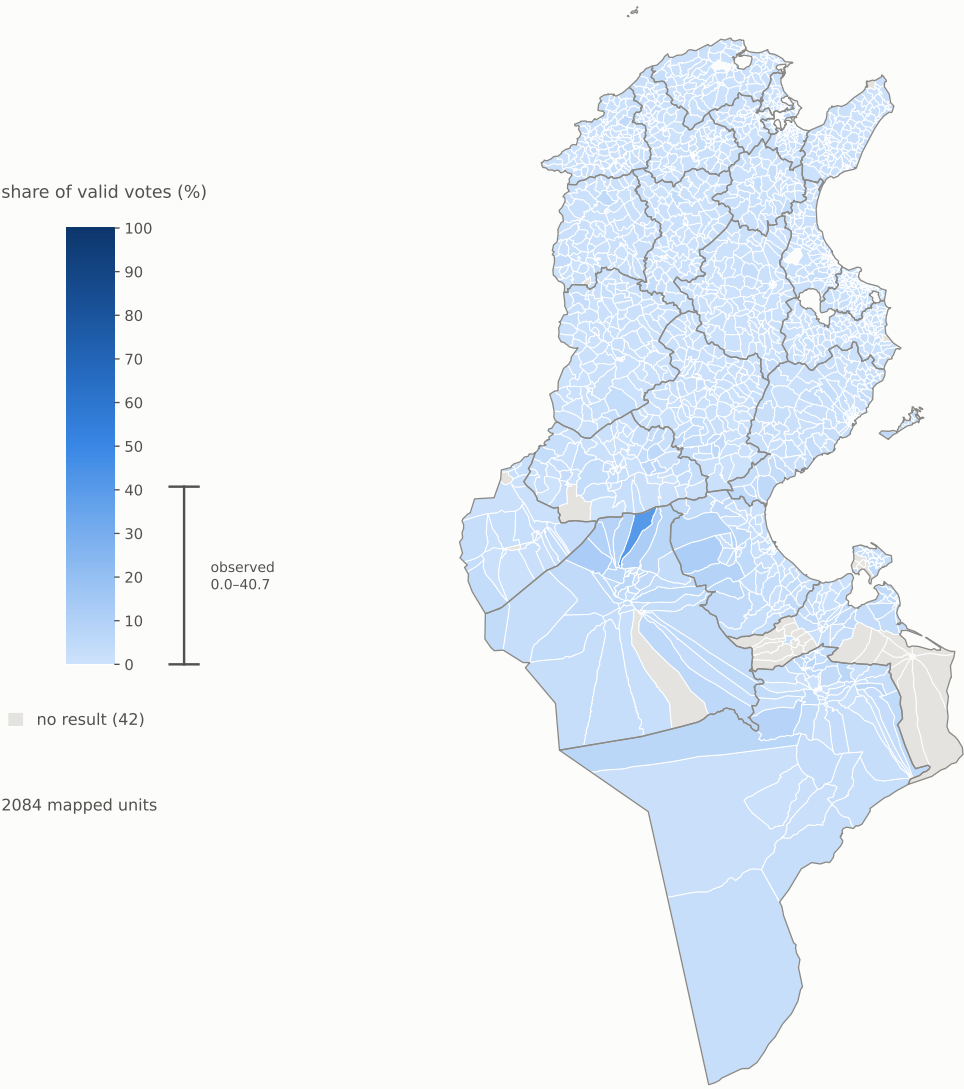

Kais Saied

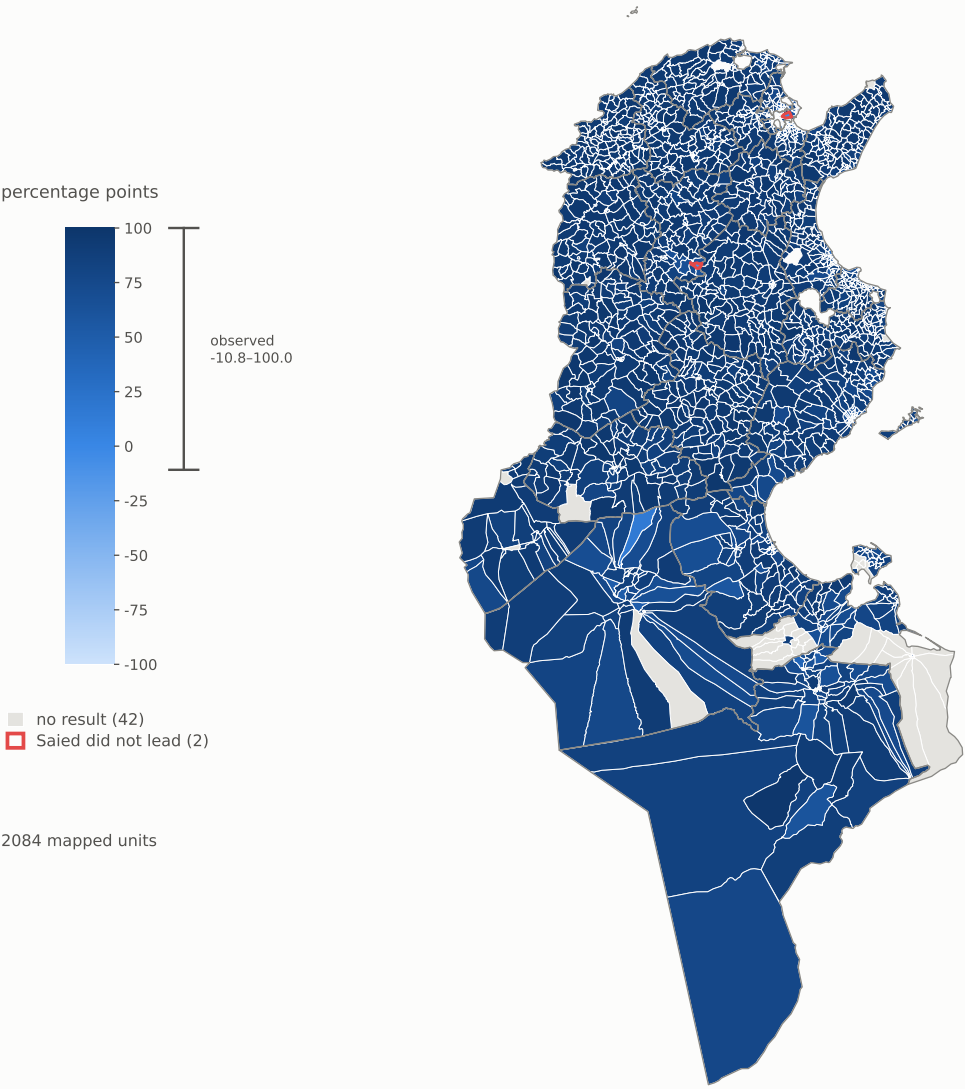

Ayachi Zammel

Zouhair Maghzaoui

Saied's margin over his strongest rival

Shares of valid votes at certified stations. All four panels use the same fixed 0–100% scale, so a shade means the same value in every panel and across every other figure in this repository. The cost is that a panel whose values occupy a narrow part of the range looks flat: each subtitle names the range actually observed. Boundaries: OCHA/HDX COD-AB (CC BY-IGO).
