SCALE FITTED TO THIS MAP: the ramp spans 59.7 to 97.7, not 0 to 100, so a shade here means nothing on any other figure — including the other panels of this family. The strip beside the bar shows the window. For a shade that means one number everywhere, use maps/national/saied_delegation. 2024 Tunisian presidential election · shares of valid votes at certified stations · boundaries OCHA/HDX COD-AB (CC BY-IGO)
