share of valid votes (%)

2084 mapped units

SCALE FITTED TO THIS MAP: the ramp spans 0.0 to 54.8, not 0 to 100, so a shade here means nothing on any other figure — including the other panels of this family. The strip beside the bar shows the window. For a shade that means one number everywhere, use [maps/national/zammel_imada](#). 2024 Tunisian presidential election · shares of valid votes at certified stations · boundaries OCHA/HDX COD-AB (CC BY-IGO)
