SCALE FITTED TO THIS MAP: the ramp spans -10.8 to 100.0, not 0 to 100, so a shade here means nothing on any other figure — including the other panels of this family. The strip beside the bar shows the window. For a shade that means one number everywhere, use `maps/national/margin_imada`. 2024 Tunisian presidential election · shares of valid votes at certified stations · boundaries OCHA/HDX COD-AB (CC BY-IGO)
